University of Maryland <i>Bachelor of Science, Statistics</i>	Exp. 2028 <i>College Park, MD</i>

WORK EXPERIENCE

Maryland Athletics <i>Assistant Technical Coordinator & Manager</i>	Aug. 2026 – Present <i>College Park, MD</i>
---	---

- Maryland Athletics is the official athletics program of the University of Maryland, supporting NCAA Division I sports and student-athlete development across a major collegiate athletics department.
- Input, track, and analyze team performance data in VolleyStation to support coaching decisions and staff analysis.
- Build customized spreadsheets and scouting reports using Volleymetrics and VolleyStation to communicate analytical findings to coaches and staff.
- Assist with opponent scouting, video coordination, and preparation for match analysis workflows.
- Support the development and training of high-level student-athletes in a Division I environment.

Loyola Marymount University Baseball <i>Student Manager and Scouting Intern</i>	Oct. 2024 – Jun. 2025 <i>Los Angeles, CA</i>
---	--

- Loyola Marymount University Baseball is an NCAA collegiate baseball program focused on athlete development, scouting preparation, and competitive team performance.
- Tracked player performance, compiled scouting reports, and filmed practices and games for analysis.
- Supported player development efforts while learning advanced scouting techniques and analytical workflows.
- Adapted quickly to new technologies, scouting software, and analytical tools used by the program.
- Assisted coaching staff with daily operations, practice setup, and game-day preparation throughout the season.
- Worked independently and collaboratively in a fast-paced team environment with strong attention to detail.
- Supported team needs through long hours, weekend work, and travel during the competitive season.

Abercrombie & Fitch Co. <i>Sales Associate</i>	Nov. 2025 – May 2026 <i>Walnut Creek, CA</i>
--	--

- Abercrombie & Fitch Co. is a global specialty retailer with well-known apparel brands and a significant international retail footprint.
- Delivered high-quality customer service by assisting customers with product selection, styling, and fit recommendations.
- Maintained an engaging store environment while representing brand standards and values.
- Supported merchandising, restocking, and store organization to keep daily operations running smoothly.
- Collaborated with team members to meet sales goals and improve the customer experience.

Lafayette Library and Learning Center <i>Summer Wellness Center Founder</i>	Jun. 2022 – Aug. 2024
---	------------------------------

- Lafayette Library and Learning Center is a community-focused educational organization that supports youth learning, enrichment, and local programming.
- Founded and ran a summer wellness center serving students in grades 5 through 9.
- Managed volunteers and staff while organizing daily activities and program operations.
- Worked full weekday summer shifts, first as a volunteer and later as a paid employee.
- Demonstrated strong organization, personal responsibility, and adaptability in a youth setting.
- Built a collaborative environment focused on continual improvement, learning, and student support.
